iTransit, Inc. Announces Opening of its Collision and Refurbishment Center in Orlando

ORLANDO, FL -- July 1, 2008 -- iTransit, Inc. announces the opening of its collision and refurbishment center for motorcoaches and motorhomes in Orlando, Florida.

In addition to collision and refurbishment, iTransit, a full-service transportation service company, is the distributor of a 25-foot rear engine, low floor, para-transit shuttle bus.

“We are excited to offer this new, full-service center to the Orlando area. With our years of experience, customers can rely on us to provide excellent, expert service for any of their needs,” said Charlie Rydzewski, general manager of all collision and repair work.

Rydzewski is well known throughout the industry as a knowledgeable and hard working professional with more than 20 years spent with ABC Bus Companies, Inc. and Manheim Auto.

Strategic Partnership with Gameday Management Group

Together with its sister companies, Gameday Management Group and Click and Park, iTransit, Inc. will offer wide range of event management and bus procurement services. Gameday Management Group will offer a wide range of transportation services including traffic plan implementation, shuttle system design, travel demand management, vehicle permit plans and wayfinding signage planning and placement.

“We are thrilled to be opening this full-service facility in Orlando, said Mike Pouncey, CEO of iTransit, Inc. “We are able to not only provide expert repair and complete refurbishment, but complete event management. We will assist bus companies to ensure they have a successful and profitable large scale event experience.”

Pouncey has more than ten years of Travel and Tourism industry experience and has gained vast experience with motorcoach operators while working for Setra and IMG. He has served on the South Carolina Motorcoach Association Board of Directors as well as the Washington, D.C. Tourism Committee.

iTransit, Inc. is located in Orlando, Florida at 1424 West Anderson St. For consumer inquiries about any services, please contact Charlie Rydzewski at (407) 648-8737.
