## **iTransit Expands to Larger, Comprehensive Service Center Announces Discounted Motorcoach Association Rate**

ORLANDO, FL – November 2, 2009 – iTransit, Inc., a complete transportation services company has moved its service center into a larger location in Orlando, Florida.

“Our new location will allow us to expand to be a comprehensive service center,” said Jack Farrell, Director of Vehicle Services. “Not only will we continue our collision repair and refurbishment services, but we are also able to offer complete maintenance and repair.”

iTransit’s new service center is located at 1925 West Princeton Street, Orlando, Florida 32804.

As a complete service center, iTransit’s staff of trained and experienced experts performs collision repair, refurbishment, paint and mechanical repair services on all makes and models of buses, motorcoaches and limousines. Preventative maintenance will also be offered, including tracking and scheduling of regular maintenance.

“By tracking and scheduling regular maintenance for our customers, they do not need to worry about missing scheduled service,” added Farrell. “We will keep track of a company’s fleet maintenance schedule and let them know when a vehicle needs scheduled service.”

Additionally, responding to direct feedback from members of the Motorcoach Association of South Carolina (MCASC) requesting better pricing for association members, iTransit has designated a special Motorcoach Association Labor Rate. Upon verification that a company is a member of any state or national motorcoach association, they will receive a discounted labor rate of \$75 per hour. The standard retail rate is \$85 per hour.
