FOR IMMEDIATE RELEASE
July 31, 2009

**iTransit's Collision and Mechanical Service Center Staff boasts
Highly Qualified and Certified Team Members**

ORLANDO, FL – July 31, 2009 – iTransit's Collision and Repair center staff, headed by Jack Farrell, has numerous certifications and qualifications in Bus and Motorcoach repair and service.

Farrell, Director of Vehicle Services for iTransit, holds the following certifications:

- ❖ ASE Compressed Natural Gas (CNG) Engines (2009)
- ❖ ASE Master Transit Bus Technician * (2009)
- ❖ ASE Master Medium/Heavy Truck Technician (2007)
- ❖ ASE Automobile/Light Truck Brake Technician (2006)
- ❖ ASE Refrigerant Recovery & Recycling (2004)
- ❖ DuPont Automotive Refinish IMRON5000 / 6000 Fleet Technician (2006)
- ❖ PPG Certified commercial Vehicle Technician (2005)
- ❖ VanHool Advantage Training (2001)
- ❖ ABC Bus Coach Air Conditioning systems (2001)
- ❖ ABC Bus Coach Electrical systems (2001)
- ❖ AS degree in Business Administration
- ❖ BS degree in Management

* ASE tests conducted in May 2009 marked the first time the ASE certified "Master" Transit bus Technician designation was awarded as it was the first time all eight tests were offered in this relatively new series.

Additionally, he is just one of 151 Master Transit Bus / Motorcoach Technicians nationwide and only one of 18 in Florida. Farrell is just one of 120 technicians certified in compressed natural gas (CNG) engines nationwide.

"We are very lucky to have Jack on our team," said Mike Pouncey, President/CEO of iTransit. "Jack's certifications prove his is one of the most talented motorcoach technicians in the country."

-more-

As the Director of Vehicle Services, Farrell is responsible for the overall expansion of iTransit's motorcoach collision and repair facility to include complete mechanical services as well as service and support of iTransit's new Brevi Bus, a 25-ft., rear engine, low floor shuttle bus, which will be available in 2010.

Charlie Rydzewski, General Manager of Collision and Repair, is another highly qualified and well seasoned member of the motorcoach industry. His certifications include:

- ❖ Gold Medallion Frame Measuring and alignment - laser alignment equipment (2005)
- ❖ VanHool Body and Collision School (2002)
- ❖ Wray Co., Ltd. Collision Damage Estimating (1997)
- ❖ Victor Equipment Co. Oxy-Fuel Safety and Operation (1996)
- ❖ Skillpath Coaching and Teambuilding (1996)
- ❖ Skillpath Excellent Customer Service (1995)
- ❖ VanHool Body and Collision School (1994)
- ❖ Flexible Corp Factory Collision training and Inspection (1990)
- ❖ Lake County Vo-Tech Welding 667 Hours (1976)

As general manager of collision and repair, Rydzewski is responsible for the day to day operations of the collision and repair center. With more than 20 years of experience in the motorcoach industry, Rydzewski is extremely knowledgeable and well known for quality service.

Other trained professionals on the iTransit team include:

Erlin Rivera

- ❖ PPG Certified Technician (2009)
- ❖ BASF RFN 101 – Diamont /UNO (2009)
- ❖ BASF R-M Paints Refinish Certificate (2007)

Deoraj Ramnarine

- ❖ BASF R-M Professional Refinish Painter R-M Products (2006)

Brian Bocchino

- ❖ R-M Professional Refinish Painter R-M Products (2006)

About iTransit, Inc.

Based in Orlando, Florida, iTransit, Inc. is a multi-faceted company with a collision and repair facility for motorcoaches as well as an exclusive partnership with Gameday Management Group to offer procurement services to motorcoach companies. Coming soon, iTransit will be the exclusive distributor of a 25-foot rear engine, low floor, para-transit shuttle bus.
